

You are Invited to the California Bleeding Disorders Health Policy Summit

February 28, 2019, 10:30 am – 3:30 PM
Los Angeles Area Chamber of Commerce
350 S Bixel St, Los Angeles, CA 90017

About the Health Policy Summit: It brings together policy professionals and bleeding disorders community stakeholders to discuss state policy issues and trends that may impact the bleeding disorders community. We will reflect on current healthcare concerns, consider long term priorities, and develop strategies and action plans to ensure continued access to quality, patient-centered health care in California for people with bleeding disorders. **Be a part of the Future of Healthcare Access in California for the Bleeding Disorders Community!**
